

**ASSESSMENT PLAN TEMPLATE – AY17-18**

**Program: Student Support Services: Student Life**

**Date Submitted: 10-31-2017**

**Program Mission Statement:**

Student Support Services provides programming and support to promote retention and degree completion.

**Outcome 1**

**Outcome**

Students who participate in campus activities will develop a sense of connectness by gaining exposure to various aspects of a diverse community.

**Methods of Assessment**

Sign-in sheets will be collected for all campus activities including: 30 Thursdays, Thanks & Giving, Convocation, Multicultural Festival, and Student Activities Committee sponsored events.  
Student surveys will be conducted after each activity or event.  
Number of students who attended campus activities will be compared to enrollment data for the next semester

**Measures/Levels of Expectation**

At least 50% of Donnelly students will attend a campus activity or student-sponsored event.  
At least 10% of Donnelly students will join a student organization.

**Assessment Results**

**Use of Results for Program Improvement**

Events that are not found to be valuable will be revised before being presented in following semester.  
Events that are poorly attended will be revised or better advertised in following semester.  
New events may be created based on student feedback and comments each semester.
