How could this presentation be improved?

- Wish we had more time
- It was an excellent presentation
- Accompany lecture with activity
- Visual aid
- Vary your voice, vocabulary & stresses
- Less religion-specific (i.e. scriptures) acknowledge Donnelly's religious diversity & progressive mission. He needs to do some research!
- Answer questions directly; spoke like a politician – all around what was asked but no direct answer.
- I enjoyed the presentation until ½ of the world's pop. was disenfranchised.
- The talk was good, but the way he answered the questions was confusing. He should be more direct & clear when answering questions.
- Speaker should know more about Donnelly and needs of our students and staff.

Any other comments or suggestions?

- Wonderful! Really appreciated the inspiration & way Luke brought God's Word to life.
- Luke was an inspiring start to the day. What a better way to inspire us & infuse the gospel into our day. He was honest & forthright about the Catholic Church.
- Bring him back
- I'll be reading many texts referenced by Luke, esp. "The Feminine Genius".
- Great speaker
- I could listen to him for hours
- Great job
- I would love to have some presenter who is more community building focused and less alienating.
- Presentation was good. Question & answer session was offensive.
