# SUCCESS STARTS HERE

# BUSINESS LEADERSHIP

## Bachelor's Degree

**120 CREDITS** **8 SEMESTERS, FULL-TIME**

Donnelly's Business Leadership degree is designed to develop your leadership potential and prepare you to work within the complex financial, cultural and social environment of businesses, government and non-profit organizations.

Possible career paths include:

- Business or Non-Profit Executive
- City Manager or Government Official
- Entrepreneur
- Human Resources Manager
- Social and Community Service Manager

### WHAT CAN I DO WITH A BACHELOR'S DEGREE?

- Enter the workforce
- Pursue a specialized training program
- Attend graduate school

### THE PERFECT PLACE TO START

This degree typically requires four years of study for full-time students (part-time option is available). Rooted in the liberal arts, students develop critical thinking and other skills that are useful in every workplace environment.

At Donnelly you'll get the academic and social support you need to succeed in college. Join us at Donnelly if you want to:

- Enjoy a small campus experience where you are part of a caring and diverse community
- Spend less by choosing an affordable private education
- Follow your dreams
